Porftolio

Sep. 2021

Web project |Guadalajara, MX

Link: <https://mystifying-dijkstra-79d30d.netlify.app/>

EDUCATION

Instituto Tecnológico de Sonora | Bachelor of Science in Software Engineering

May. 2018

- Collaborator, Computation Alumni Society. 2018 – 2019

TECHNICAL SKILLS

- Javascript - React Frontend Development
- HTML - Design the layout of the web pages
- CSS - Design the styles of the web page and mobile applications
- Node.js
- React JS
- React Native
- Bootstrap
- IIS
- C#
- Yarn, NPM
- GIT
- Java 8 – Java EE – JSP
- RESTful API development and integration
- CI/CD – Continuous Integration – Travis CI / CD
- SQL Skills – MySQL, Microsoft SQL Server
- NoSQL – MongoDB
- Linux Skills – Linux System Administration, Terminal Hero, Server Maintenance and Deployment (Ubuntu, Kali)
- Software Architecture – Design Patterns – SOLID
- PHP
- WordPress platform
- Unity 3d – C#
- Object Oriented Programming
- Kotlin – Java – Android Mobile Development

SOFT SKILLS

- Self-taught person
- Dedicated
- Positive
- Enthusiastic
- Always wanting to learn
- Team player
- Results Driven
- Problem Solver
- Dynamic and Self motivated
- Clear communication
- Adaptability and Teamwork
- Fast learner
- Time Management - Responsible
